

Food Safety Policy Statement

The NEC Group is committed to maintaining high standards of food safety for our colleagues, clients, service partners and visitors.

To ensure we comply with relevant legislation and achieve our aspiration to exceed the legislative expectations, we will:

- **Maintain an efficient food safety management system across our food supply chain**
- **Ensure that all premises in which we operate are maintained to a clean and hygienic standard**
- **Provide appropriate training for colleagues, to allow all team members to effectively exercise their responsibility to serve safe food to our colleagues, clients, service partners and visitors**

To deliver these key principles we will ensure:

- **All relevant colleagues comply with food safety procedures and that these are monitored on a regular basis to ensure compliance**
- **Comprehensive records are maintained to demonstrate that the food safety management system is being effectively implemented and verified**
- **A positive culture of food safety is encouraged**

Colleagues will be encouraged to take personal responsibility to ensure that appropriate practices are always followed.

We will ensure that adequate resources are always available to achieve and consistently maintain high standards of food safety management and product safety.

This policy statement will be reviewed annually to ensure that it remains appropriate in a continually changing environment.
